

GC200-1SB

Computerized single needle lockstitch sewing machine with step motor technology

1-needle stitch

Product features

- With the latest step motor technology to control the fabric feeding mechanism.
- Precise digital stitch length adjustment by every 0.1mm, easy to use.
- With 9 built-in different patterns of seams.
- Back reverse stitching ultra-quiet and stable.
- Tight seam function - after trimming the length of the thread left is within 3MM.
- Buttons for supplement stitches can immediately switch it to 1/2 and 1/4 of the previous stitch length.

Function and configuration

Technical parameter
